Foreword

For years Elk Creek has been nestled quietly in the hills, with little noise or confusion. Suddenly a sawmill came, and Elk Creek was changed into a thriving, bustling town. Families are coming in and the schools are swelling to near capacity. It makes us very happy to see such a movement, for our school enrollment will rise to where we will be able to cope with other schools in activities and sports. It has given us an opportunity, and we are going to make the most of it. In this book you will see many new faces, and we hope you will see many more in the future.

DEDICATION

This year the Elk Creek High School Annual has been proudly dedicated to our former teacher, Mr. Joaquin I. Thompson. He came to this school from Hamilton City and for five years gave all of his knowledge in order that the students here might benefit from his teaching. To you, Mr. Thompson, may there be many happy years to come.

CLASS WILL

I, Micky Sutliff, do hereby will and bequeath my ability to keep out of trouble to John Bernell Huttman; and my red hair to Ellen Mann.

I, Phyllis Bedford, do hereby will and bequeath my ability to make mistakes on the typewriter, for Mr. Hoffmann, to next year's office girls; and my ability to go steady to Evelyn Soeth.

I, Holly Burrows, do hereby will and bequeath my ability to get 'A' in Glee Club to Bud Lafferty; and my ability to get Willows' boys to Betty Burrows--who doesn't need it.

I, Marvin Cramer, do hereby will and bequeath my ability to play football to Leon Griffin who will need some in his future years; and my car to Allen Bonnett who will need it later on.

I, Leon Whitney, do hereby will and bequeath my ability to get along with women to Keith Henry.

FOOTBALL

By having more experience and a larger squad, the Elks were able to do much better in football this year. They played hard, clean ball all year, and were noted for being the sports of the league. In their next to last game they beat Los Molinos 75-25 for their first win in quite some time. They hope to do much better in the future, there being more boys coming in all the time.

BASKETBALL

The Elks had only a few games this year, and without a gym didn't get in too much practice. However they did okay considering the problems. The most exciting game was with Maxwell, which the Elks lost 50-48 after an overtime. Next year they might be able to be in the league.

Hugh Luce, Everette Ellingwood, Jack Cushman, Bill Hayward.

BOXING

Only four boys went out for boxing, and they trained during basketball season. They went to Willows quite a few times and worked out with the Honkers. When it came time for the Willows boxing matches, the Elk Creek boys participated and did very well.

'51 BASEBALL

The Elks' squad was strengthened last year, which gave them an opportunity to do better. They started slow, but ended well with a good winning streak. They beat Princeton 9-2 for their last game.

Richard Cushman and Micky Sutliff are not pictured.

'51 TRACK

Last year the Elks' A and B relay teams went to the Corning Relays. Both teams qualified for the finals but did not place there. From there they went to the league meet at Biggs. The following boys placed there: Bill White, first in the 100 and 220 yard dashes; Ray Bedford, fourth in the 440 yard run and the B 220 low hurdles. The B relay team, with Cushman, Lafferty, Bedford, and Whitney, placed fourth as did the A relay team with Gillaspy, Hovland, Whitney and White.

They then traveled to Princeton for a meet with them. The Elks did very well and won by a score of 35-19.

Bill White went to Oroville for the N.S.C.I.F. semi-finals. He took third in the 100 and 220 yard dashes. He also went to Davis for the California Field Day and entered in the 220 and took fourth, which is very good for someone from such a small school.

'51 - '52 FUTURE FARMERS

The F. F. A., with a new advisor, Mr. Hansen, has been given five hundred and twenty-two acres north of Stonyford by Mr. D. A. Gilman, a local rancher. The boys have been plowing and discing, and are going to plant oats, vetch, and barley. All of the boys have projects, including seven pigs, two Angus cows, two Angus steers, a registered Hereford heifer and seventy six acres of grain.

On September 24, F. F. A. officers were elected. They are: Ray Bedford, president; Hugh Luce, vice-president; Dave Brown, secretary; Marvin Cramer, treasurer; Richard Cushman, reporter; and Don Zumwalt, sentinel.

We have been to quite a few fairs and judging days and the chapter has won some ribbons. On December 8, some of the boys went to Davis College on a field day, where we all had a good time.

'51 - '52 GLEE CLUB

Last year, being the first in many years since Elk Creek had a Glee Club, was a great success. This year however it seems we are making much more progress and as the year wears on we hope to progress still further. We sang at the Christmas party and expect to make many more public appearances. In the spring we are to take part in the Music Festival.

The Glee Club consists of ten boys and nine girls. Mr. Linn is our teacher.

Front Row: Jerry White, Jane Ann Johnson, Holly Burrows, Betty Burrows, Phyllis Bedford, and Marvin Cramer.

DRAMA

This years' Dramas are made up of the Juniors and Seniors. We made progress by writing our own three act Senior Play entitled, "Mr. Dinglehoofer Meets Miss Fortune". On March 26 we gave a one act play entitled, "Paul Wrecks the Car" in Willows in return for the Tattler Review being shown in Elk Creek.

All in all we think the Drama Class has a group of very talented actors.

BLOCK EC CLUB

The Block EC Club is a newly formed organization, being started last year. It started with eleven members and is now up to twelve, counting the seven new members who entered this year. On October 1st the Club elected officers for the term. They are as follows: Leon Whitney, president; Mickey Sutliff, vice-president; Hollis Burrows, sec.-treasure; and Bud Lafferty, reporter.

On December 7 the initiation of new members was held. Before entering the club, the boys had to build a new grandstand for the athletic field. The ones entering are: Phyllis Bedford, Jane Johnson, Betty Burrows, Bernell Huttman, Raymond Bedford, Jerry White, and Richard Cushman.

We have been planning things for the future, such as the club's annual dance, and so forth.
